Magnet Lead Teacher

You, the parent/guardian, are your child's key resource when completing home learning assignments. As parents and guardians, you may not know all the answers; but how you seek and find out the answers to questions you have will show your children how to learn. If you and your child need help with a home learning assignment try first to consult with the teacher. In addition, Miami-Dade County Public Schools provides a special service called Dial-a-Teacher. This homework assistance hot line available Monday through Thursday from 5:30 to 8:30 p.m. at 305-995-1600, can help answer your questions. Also, on the Miami-Dade County Public Schools Educational Portal web page there are other sites that may be helpful. At <http://www.dadeschools.net/> choose Education Portal, first Students at the top, then under The Student's Desk click on Academic Assistance, next Homework Helpers, finally Dial-a-Teacher and look for this logo.

DIAL-A-TEACHER ON-LINE is a "FREE" service provided by **Miami-Dade County Public Schools** in cooperation with the **United Teachers of Dade** and **WLRN-TV**. **DIAL-A-TEACHER ON-LINE** offers homework help in most subject areas in grades K - 12.

Home learning is an important component of your child's education. Your support and assistance is vital for your child's success.
